

CLUSIL

A Word from the President

<http://www.clusil.lu/>

A word from the president

With over 250 members and more than 14 years of existence the CLUSIL has established and proven itself and has become a key actor among the Information Security Landscape of Luxemburg and of the “Grande Region”. I would like to invite all of you involved with information security to become member of the CLUSIL and to benefit from the exhaustive knowledge present, the possibility to exchange information among peers and to actively contribute to the promotion and enhancement of information security.

What is CLUSIL

CLUSIL stands for

CLUb de la **S**écurité de l'**I**nformation **L**uxembourg

since 1996

With over **250 member** from
different sectors interested in Information security

<http://www.clusil.lu/>

What are we doing?

CLUSIL

- End user centered
 - Be a neutral, collaborative and constructive environment
 - Share experience among peers irrespective of their professional role (supplier or user)
 - Promote information security
- Offers a forum for working groups to exchange their experiences

It is our goal to

- Exchange among PEERS information, experiences about current topics
- Elaborate supporting tools for End user
- Give input for information security related topics on national level

Current Working Groups

Current MAIN working groups

- WG BCM (Business Continuity Management)

- WG ISM (Information Security Management)

Collaboration

with other national key players
